## **Teaching Learning Process**

The college is affiliated to Visvesvaraya Technological University (VTU), Belagavi and are confined to university scheme and syllabus. Some of the subjects are theory based with integrated laboratory learning concepts.

So to ease and improve their critical and problem solving thinking, Different teaching techniques are adopted. Also as a part of the curriculum, pre-final year and final year students are deputed to various industries for internships to study and get acquaint current trends. The students of management studies are sent to nearby industries in mastering managerial skills. The institution regularly conducts workshops on curricular and non-curricular activities for students. Activities like industrial visits, survey camps, hobby-projects, quizzes are also a part of it.

Collaborative learning strategies are used to support problem solving methodologies especially for slow learners through peer learning concept. Group discussions and guest lectures are also arranged for subjects in PG department. Activities like quiz, photography, questioning etc. are held. Institution supports student participation in events conducted by other institutions.

## **20 Best Practices Adopted, if any**

The Title: Bird feeder

Objective: To sensitize the students towards care for the animals Context: Emphasise the importance of animal love in the personal development of students. Practice: The institution has planned “Bird Feeder” for animals. In Raichur’s hot it becomes tough for birds to search for water and food. Hence the students have placed bird feeders with water and grains. Students refilled the feeders regularly. Evidence of Success: This has brought awareness among the students about the difficulties faced by animals. Problems Encountered Tying the feeders to in the campus and refilling them with water was difficult as trees are high.

Title: Alumni Initiative-“Nimma Saadhanega Namma Preranae”

Objective: To motivate average students towards giving their best and exploring their capacity

Context: Improvement of student’s academics through motivation by alumni.

Practice: Alumni from the Pass-out batch of year 2002 have framed a set of regulations based on which students are selected for a cash prize. Practice has been initiated with motto to bring up average student’s academic performance by motivating them through competitive spirit and participation.

Evidence of Success: This has encouraged average performers. Problems Encountered: Delayed scholarships contributed to issues in selection of students according to the selection scheme.

## NAAC status :

The Institute was accredited with 'B+' grade (with a score of 2.67) from February 8, 2021 for the next five years by National Assessment and Accreditation Council (NAAC), Bangalore.
