

H. K. E. Society's S. L. N. College of Engineering, Raichur

Activity in adopted government school
“Waste segregation awareness”

Organized by IEEE Student Branch STB99080

21st October 2022

Time: 03:00pm to 04:30pm

No. of Participants: 45

This is the second activity after adopting Government Higher Primary school, Yaramaras camp Raihur.

On 21st October 2022 members of SLN-IEEE Student Branch and few staff of SLN College of Engineering, went to the school. All the members engaged the students to make them aware of waste segregation. During questionery session, chocolate were distributed for answering questions.

Total of 16 IEEE members volunteered in the event. 45 students from the school participated; they were very happy and joyous to be part of the activity.

Dr. Vishwanath P. IEEE Student Branch counsellor guided and monitored the activity.
